BOARD CERTIFIED PLASTIC SURGEON

POLICY REGARDING REVISION ON COSMETIC SURGERY

The relationship between myself and my patients is such that, every attempt will be made to perform surgery to the best of my ability. Under some circumstances, a result may occur, which is less than desirable on the part of the surgeon, as well as the patient.

Under these circumstances, a revision procedure may be necessary. Each patient and each problem is individual and will be reviewed in such a manner. Under most circumstances, the surgical fee shall be none, or greatly reduced. Under most circumstances, however, the patient will be responsible for a fee for anesthesia and facility, if the revision procedure requires these services. Please do not hesitate to discuss this with me, should you have any questions or concerns at this time, or in the future.

Sincerely,

Tenley K. Lawton, M.D.
